Winnipeg MB R2G 0K2

Dear Sirs,

RE: Urgent Work and Materials at New Site – 720 Henderson Highway

On behalf of Bronx Park Community Centre, this letter will serve to confirm our appreciation to John Dick's Landscaping for responding to our urgent request to have gravel backfill and related landscaping work completed within our new hockey rinks at the new Bronx Park site at 720 Henderson Highway on a short notice basis.

The directors of Bronx Park were not advised until after the month of October 2009 that certain work would be required to the new hockey rinks, in order to allow for flooding during the 2009-2010 sports season. With cold weather approaching, Bronx Park contacted John Dick's Landscaping during early November and obtained a written quote on November 15, 2009, and on the basis of the written quote, the work and materials were supplied in a timely fashion, so as to allow our ice making staff to proceed with their preparation for installation of outdoor ice for 2009-2010 season.

In providing you with our payment for your account, we are thankful to you for accepting this assignment on extremely short notice, as well as appreciative of your completion of the engagement within the timeframe requested by Bronx Park and in accordance with your written quotation.

Yours truly,

BRONX PARK COMMUNITY CENTRE

ROBERT R. FABBRI
Director In Charge of Buildings and Grounds
